Neighborhood Conflicts

The HOA board of volunteers has developed a neighborly conflict protocol to clarify and outline the steps homeowners should take to help resolve neighborly disputes:

1. Contact the HOA in writing via email at hoafalconestates@gmail.com
2. The HOA will review the complaint and will do their best to determine if there are any violations.
3. If there is a violation and the complainant has not yet reached out to the neighbor, a board member can accompany you at your request.
4. Peaceful resolution is always the goal for both parties.
5. If the conflict is not resolved, both parties will receive a letter from the HOA addressing the issue.
6. If the conflict continues, the HOA will notify Colorado Springs code enforcement as applicable.
